

Our Art curriculum will stimulate creativity, imagination and individuality. We believe that art gives our pupils the skills, concepts and knowledge necessary for them to express responses to ideas and experiences. We will enable children to express themselves while they experience the beauty of colour, different mediums, light and materials. We will engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design. We will fulfil the requirements of the National Curriculum for Art and Design by ensuring the progressive development of knowledge and skills, develop the children's competence in controlling materials and tools, fostering enjoyment and appreciation of the visual arts and developing their knowledge of significant artists, craftspeople and designers. This will enable children to become proficient in drawing, painting, sculpture and other art, craft and design techniques.

Drawing				
	<p>Enjoy using graphic tools, fingers, hands, chalk, pens and pencils.</p> <p>Use and begin to control a range of media.</p> <p>Draw on different surfaces and coloured paper.</p> <p>Produce lines of different thickness and tone using a pencil.</p> <p>Start to produce different patterns and textures from observations, imagination and illustrations.</p>	<p>Children begin to explore different techniques involved in drawing such as shading, thick and thin lines, patterns and shapes as well as using different surfaces to draw on. Children are also exposed to using different materials to draw with such as pencils, felt tips, charcoal, crayons, chalk and pastels.</p> <p>KS1 Art and Design National Curriculum To become proficient in drawing techniques. To use drawing to develop and share their ideas, experiences and imagination.</p> <p>Children can:</p> <ul style="list-style-type: none"> draw lines of varying thickness; use dots and lines to demonstrate pattern and texture; use different materials for example pastels, chalk, felt tips; investigate tone by drawing light/dark lines, light/dark patterns, light/dark shapes using a pencil; understand tone through the use of different grades of pencils (HB, 2B, 4B); To begin to draw from observations. 	<p>Children develop their knowledge of drawing by continuing to use a variety of drawing tools from KS1. They are introduced to new ways of making effect through tone, texture, light and shadow. They have the opportunity to use vocabulary learned in KS1 accurately, e.g. shading, thick and thin.</p> <p>KS2 Art and Design National Curriculum To become proficient in drawing techniques. To improve their mastery of art and design techniques, including drawing, with a range of materials.</p> <p>Children can:</p> <ul style="list-style-type: none"> experiment with showing line, tone and texture with different hardness of pencils; use shading to show light and shadow effects; use different materials to draw, e.g. pastels, chalk, felt tips; show an awareness of space when drawing; develop further drawings featuring the third dimension and perspective; attempt to show reflections in a drawing; To draw from observations. 	<p>Children continue to use a variety of drawing tools but are introduced to new techniques, e.g. creating perspective. They become more confident in techniques already learned and use the vocabulary learned accurately, e.g. shading, thick and thin. Children will rely on their sketching books to improve their drawing skills.</p> <p>KS2 Art and Design National Curriculum To become proficient in drawing techniques. To improve their mastery of art and design techniques, including drawing, with a range of materials.</p> <p>Children can:</p> <ul style="list-style-type: none"> use a variety of techniques to add effects, e.g. shadows, reflection, hatching and cross-hatching; depict movement in drawings; develop further simple perspective in their work using a single focal point and horizon; use a variety of tools and select the most appropriate; develop close observation skills using a variety of view finders; Use drawing techniques to work from a variety of sources including observation, photographs and digital images;

Painting				
	<p>To experiment with mixing colours.</p> <p>To introduce tools and methods of painting giving access to a range of painting implements.</p> <p>To experiment in a variety of ways: fingers objects, sponges etc.</p> <p>To introduce palettes, water pot, paints etc.</p> <p>To create paintings on different surfaces and a range of sizes.</p>	<p>Children can explore using a variety of different brushes to see what happens. Children begin to learn the primary colours and experiment with mixing paints to understand tone and secondary colours.</p> <p>KS1 Art and Design National Curriculum</p> <p>To become proficient in painting techniques.</p> <p>To use painting to develop and share their ideas, experiences and imagination.</p> <p>Children can:</p> <ul style="list-style-type: none"> name the primary and secondary colours; experiment with different brushes (including brushstrokes) and other painting tools; mix primary colours to make secondary colours; add white and black to alter tints and shades; control the types of marks made in a range of painting techniques e.g. layering, mixing media, and adding texture. To begin to paint from observation. 	<p>Children continue exploring using a variety of different brushes to see what happens. They use the language of colour accurately when mixing, e.g. shade, primary and tint. Children begin to experiment with colour for effect and mood.</p> <p>KS2 Art and Design National Curriculum</p> <p>To become proficient in painting techniques.</p> <p>To improve their mastery of art and design techniques, including painting with a range of materials.</p> <p>Children can:</p> <ul style="list-style-type: none"> use varied brush techniques to create shapes, textures, patterns and lines; experiment with different effects and textures including blocking in colour, washes, thickened paint creating textural effects; mix colours effectively using the correct language, e.g. tint, shade, primary and secondary; 	<p>Children continue exploring a variety of different brushes to see what happens. They use the language of colour accurately and use inspiration from natural and non-natural works to create a colour palette. Children are more expressive with colour, associating colours with moods.</p> <p>KS2 Art and Design National Curriculum</p> <p>To become proficient in painting techniques.</p> <p>To improve their mastery of art and design techniques, including painting with a range of materials.</p> <p>Children can:</p> <ul style="list-style-type: none"> create a colour palette, demonstrating mixing techniques; use a range of paint (acrylic, oil paints, water colours) to create visually interesting pieces; work in the style of a selected artist;
3D				
	<p>Enjoy using a variety of malleable media such as clay, papier mache, salt dough. Impress and apply simple decoration.</p>	<p>Children have the opportunity to use a variety of materials for sculpting and experiment with joining and constructing. They begin to use the correct vocabulary associated with sculpting and construction to demonstrate their understanding of the skill.</p>	<p>Children still have the opportunity to use a variety of materials for sculpting. Printing				
	<p>To name and use colour, shape, objects to make patterns.</p>	<p>Children experiment with shape and pattern, looking at repeated patterns and different materials to make texture, e.g. sponges.</p> <p>KS1 Art and Design National Curriculum To become proficient in other art, craft and design techniques– printing.</p> <p>To develop a wide range of art and design techniques in using colour and texture.</p> <p>Children can:</p>	<p>Children use a variety of printing blocks, e.g. coiled string glued to a block, and explore what effect making their own blocks has on shape and texture.</p> <p>KS2 Art and Design National Curriculum To improve their mastery of art and design techniques with a range of materials – printing.</p> <p>Children can:</p> <ul style="list-style-type: none"> use more than one colour to layer in a print; replicate patterns from observations; 	<p>Children have more opportunities to make printing blocks and tiles. They now reflect on their choice of colour for prints and develop their accuracy with patterns.</p> <p>KS2 Art and Design National Curriculum To improve their mastery of art and design techniques with a range of materials – printing.</p> <p>Children can:</p> <ul style="list-style-type: none"> design and create printing blocks/tiles;

		<ul style="list-style-type: none"> • copy an original print; • use a variety of materials, e.g. sponges, fruit, blocks; • demonstrate a range of techniques, e.g. rolling, pressing, stamping and rubbing; 	<ul style="list-style-type: none"> • make printing blocks; • demonstrate experience in fabric printing. • make repeated patterns with precision. 	<ul style="list-style-type: none"> • develop techniques in mono, block and relief printing; • create and arrange accurate patterns.
Digital Media				
	<p>To select and explore ICT resources that are available to them.</p> <p>To begin to use tablets/ I pads to record their own work.</p> <p>To explore mark making on the Interactive Whiteboard</p>	<p>Children can:</p> <ul style="list-style-type: none"> • Take a self-portrait or a photograph. • Use a simple computer paint program to create a picture • Understand how to use 'zoom' to show an object in detail – e.g. using a viewfinder to focus on a specific part of an artefact before drawing it 	<p>Children can:</p> <ul style="list-style-type: none"> • Use printed images taken with a digital camera and combine them with other media to produce art work. • Use IT programs to create a piece of work that includes their own work and that of others • Create a piece of art which includes integrating a digital image they have taken. 	<p>Children can:</p> <ul style="list-style-type: none"> • Scan an image or take digital photographs and use software to alter them, adapt them and create work with meaning. • Compose a photo with thought for textural qualities, light and shade. • Combine a selection of images using digital technology considering colour, size and rotation.
Collage				
	<p>Show experience in simple weaving: paper, twigs.</p> <p>Show experience in fabric collage: layering fabric.</p> <p>Use appropriate language to describe colours, media, equipment and textures</p>	<p>Children will have the opportunity to explore creating a variety of images on different backgrounds with a variety of media, e.g. paper, magazines, etc. Children experiment with sorting and arranging materials and refining their work.</p> <p>KS1 Art and Design National Curriculum To become proficient in other art, craft and design techniques – collage.</p> <p>To develop a wide range of art and design techniques in using texture, line, shape, form</p>	<p>Children continue to explore creating collage with a variety of media, e.g. paper and magazines. Impact				
	<p>Children safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Children represent their own ideas, thoughts and feelings through art.</p>	<p>Children to be able to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space. Children are able to recall facts about key artists and their work and understand what being an 'artist' is. They enjoy experimenting with different media and developing their knowledge and skills.</p>	<p>Children can give their opinions on artist's work and are inspired by different art they see. They are developing skills that they can use throughout school and beyond. They are able to experiment with a range media and mediums to create work based on their topics.</p>	<p>Children are able to express themselves creatively with influences from great artists using a variety of different skills. They confidently experiment with a range of different media and enjoy expressing themselves creatively.</p>
